Chapter 1 General Provisions

Article 1 (Purpose)

This regulation seeks to prescribe the details related to all academic affairs within the scope determined by 「Handong Global University's regulations」 .

Chapter 2 Admission

Article 2 (Arrangement and Storage of Applications for Admission)

Applications for admission and transfer shall be arranged according to year, examination, and examinee's number for safekeeping.

Article 3 (Storage Period of Applications for Admission)

Applications for admission shall be stored for 4 years or longer, and applications for transfer, for 5 years or longer.

Chapter 3 Organization of Curricula and Completion

Article 4 (Organization of Curricula)

1. Plans for the area of faith and world views from among the liberal arts curricula shall be prepared by the head of the Center for Christian Foundation, plans for other liberal arts-general studies and global convergence studies- by the dean of the Global Leadership Department, and plans for specialization curricula, by the head of the relevant department (school). The prepared plans shall be deliberated on by the Curricula Committee and approved by the president. (amended on Dec. 6, 2006)(Amended on Feb. 10, 2015)
2. The curricula shall be organized by specialization unit and by semester; 1~6 credits may be earned per curriculum. The credits, number of hours of lectures on theories, and experiments- practices shall be separately prescribed. For on-the-job training courses, however, up to 30 credits may be earned. (Amended on Feb. 10, 2015)
3. Curricula with the same name and should be opened for two or more semesters shall be indicated as 「~1, ~2, ~3 ..., ~I, ~II, ~III ..., or ~A, ~B, ~C ...」 .
4. <Deleted>
5. <Deleted>
6. In principle, major courses shall be organized such that they do not exceed double the number of credits to be completed for the major; note, however, in case of newly established majors following the introduction of Engineering Education Accreditation System shall be operated by the curricular organized in the department (amended on Nov. 15, 2007).
7. <Deleted>

Article 5 (Completion of Curricula)

1. Compulsory courses shall be completed as a rule.
2. <Deleted>
3. Courses shall be completed based on the curricula for the year of admission or year of return to school; if any of the compulsory courses is abolished or changed, however, credits should be earned from some of the compulsory courses in the new curricula. If any of the compulsory courses that must be completed is not available, similar courses should be completed instead to earn the specified compulsory credits.

Article 5-2 (Course Completion Plan)

<Deleted>

Article 6 (Principle of Assigning Course Numbers)

1. Course numbers shall consist of 3 English letters and 5 numbers.(amended on May. 12, 2010)
2. The English letters denote the course division or school division codes; the first number indicates the level (freshman/sophomore/junior/senior) of the course, and the remaining figures denote the unique numbers of the course(amended on May. 12, 2010)
3. <Deleted>

Article 7 (Recompletion)

1. Courses that have been completed may be completed again (hereinafter referred to as "Recompletion"); once the credits for the course whose recompletion has been applied for have been finalized, the previously earned credits shall be nullified. In this case, however, the highest credit a student can earn shall be limited to A0, and 'R' (Retake) shall be marked next to the credits earned from recompletion on the report cards.
(1)~(4) <Deleted>
2. If a student completes a course twice without applying for recompletion, only the previously earned credits shall be acknowledged; the credits earned for the course completed for the second time shall be nullified.

Article 8 (Calculation of Credits for Courses Completed Twice)

If any course completed for the major offered by the department (school) is the same as that completed for the minor offered by the department or double major offered by the department (school), the course shall be deemed to have been completed for the minor offered by the department or the double major offered by the department; however, double credits shall not be given.

Chapter 4 Registration

Article 9 (Registration for the Semester)

Any student of the university should complete all the procedures necessary for registration at the designated place within the period set at the beginning of each semester to obtain the qualification of student for the semester. In particular, plans to complete courses should be established with the guidance of advisor in charges or head of the relevant department (school) to avoid taking the wrong liberal arts courses or major courses as determined by the school regulations.

Article 21 (Supervision of Examinations)

1. In principle, all examinations shall not be supervised.
2. <Deleted>

Chapter 7 Academic Performance

Article 22 (Performance Evaluation)

1. In principle, academic performance shall be evaluated in an absolute manner; however, relative evaluation systems may be partially operated according to the characteristics of courses. (Amended on Feb. 10, 2015)
2. Academic performance shall be evaluated based on grades or scores; in principle, the criteria and method for evaluation shall be specified in the lecture plans. (Amended on Feb. 10, 2015)
3. Credits of any student who does not attend classes for more than one quarter of the total number of school days shall not be acknowledged. (Newly established on Feb. 10, 2015)
4. The performance of students whose absences are excused and approved can be evaluated by other methods such as assignments, papers, and tests considering the number of days of attendance and the date of commencement of employment. (Newly Established on Nov. 21, 2016)

Article 23 (Submission of Performance Evaluation Tables)

<deleted on Feb. 10, 2015>

Article 24 (Processing of Performance Evaluation)

1. Each of the professors in charge of the courses shall enter the graded performances into the computer, output the performance records, sign or seal them, and submit them to the Academic Affairs Team.
2. <Deleted>
3. The dean of academic affairs shall announce the computerized performance records by individual on the Internet before the registration period for the next semester.
4. The documents and records related to performance evaluation mentioned in Clause 1 shall be kept for three years and they shall include exam papers, assignments, works, test products, etc. These records shall be kept personally in case of full-time faculty members and by the relevant department (school) in case of part-time faculty members. However, if a full-time faculty member resigns (or retires), the relevant department (school) shall keep those records. (Newly Established on Oct. 17, 2016)

Article 24-2 (Processing of Performance Evaluation of credits earned from other majors)

When taking courses of other majors, a student can request P/F evaluation to the professor in charge and the professor can determine whether to allow P/F evaluation or not. If the professor determines to allow P/F evaluation, the student shall submit the attached form No.60 to the professor in charge to get approval for it and submit it to the Academic Support team within 3 weeks after the semester begins. (Newly established on Dec.1, 2014)

Article 25 (Correction of Academic Performances)

1. Once submitted, performance records may not be corrected. If there is an error in writing (error in performance records or omission), a request for correction of academic performance (Attached Form No. 9) with the statement of the reason of the professor in charge and concrete data such as the test paper attached as proof and other certificates, etc., may be submitted to the president; however, any reason for correction occurring after the period shall be handled pursuant to the criteria determined separately by the president.
2. When the request for the correction of academic performance as per the provision under Clause 1 is deemed justifiable, the president shall permit the correction of the performance record.

Article 25-2 (Withdrawal of Credits Earned)(newly established on Dec. 18, 2008)

Undergraduates who have registered for 7 or more semesters and changed their major may withdraw the credits earned for the courses completed in their current major before shifting to a new major under the following conditions:

1. The withdrawals of earned credits shall be applied within the specified period; up to 9 credits may be withdrawn, and withdrawal shall be allowed only once.
2. The academic performance for the withdrawn credits shall be indicated as "W" in the certificate of academic performance and excluded from the calculations of earned credits and grade point average.
3. Once executed, the withdrawal may not be canceled. If a student changes his/her major to a new major that recognizes the withdrawn course as its major course, however, the withdrawal of the course shall be cancelled.(Amended on Mar, 31, 2017)

Article 26 (Processing of Credits Earned from Other Universities into the Performance Records)

1. The details regarding the processing of credits earned from other universities into the performance records shall be separately determined by the president.
2. Those who wish to have the credits they earned from other schools recognized pursuant to Clause 1 shall submit an application for credit acknowledgment (Attached Form No. 10) with the certificate of academic performance attached to the head of the department (school) concerned for approval after having it checked by the professor in charge of the course and then forward it to the Academic Affairs Team.
3. The decision on whether to acknowledge the academic performance described in Clause 2 shall rest with the head of the department (school) concerned following deliberations during the department (school) faculty meeting.

Article 27 (Processing of Academic Performance of Army Recruits)

1. The academic performance of army recruits who have attended three quarters or more of the total number of school days for the relevant semester may be evaluated based on the results of their mid-term examination and special examinations, attendance, and assignments.
2. Army recruits enlisted in the army before three quarters of the total number of school days have passed shall be deemed to have withdrawn from the courses taken in the relevant semester.

Article 28 (Students Cheating in Examinations)

1. In principle, any student found to be cheating in an examination shall be given a grade of F for the relevant course.
2. The supervisor shall prepare a report of cheating in the examination for submission to the president, who in turn shall refer the case to the Student Guidance Committee to mete out disciplinary confinement, suspension from school for a definite period, or suspension from school for an indefinite period on the student depending on the seriousness of the act.
3. For students who received disciplinary confinement, the examination result for the relevant

course shall be nullified; for students who received suspension from school for a definite period or for an indefinite period, the results of examinations for all courses in the semester shall be nullified.

Article 29 (Processing of Academic Performance of Students received Disciplinary Measures)

How to process the academic performance of students, who have been subjected to disciplinary measures such as suspension from school for one month or longer, because of the acts he/she did before final examinations, shall be determined by the president based on the deliberation of the Student Guidance Committee. (Amended on Oct. 10, 2012)

Article 30 (Processing of Academic Performance of Students Temporarily Absenting Themselves from School)

Students who have temporarily absented themselves from school for a period of less than three quarters of the total number of school days shall be deemed to have canceled their registrations for the relevant courses (amended on Dec. 6, 2006)

Article 31 (Calculation of Grade Point Average)

1. When calculating the grade point average for academic performance, multiply the grades by the credits, divide the sum by the total number of credits, and round off the final result to two decimal places.
2. Courses subject to withdrawal or those for which the student is considered to have been given a grade of I or P/F shall be excluded from the calculation of grade point averages.
3. When calculating the total number of credits under Clause 1, courses under Clause 2 shall be excluded.
4. When calculating the grade point average of Clause 1 above to percentage scores (perfect score:100 points), the GPA conversion table in Attached Form No. 60 shall be applied. (Newly established on Jul.10, 2015)

Chapter 8 Absence

Article 32 (Absence Without Leave)

<Deleted on Feb. 10, 2015>

Article 33 (Treatment of Tardiness as Absence)

<Deleted on Feb. 10, 2015>

Article 34 (Absence for Unavoidable Reasons)

Absences due to any of the reasons specified below shall be treated as excused absences. In such case, they shall not be treated as ordinary absences; instead, a report of absence for unavoidable reasons with evidentiary documents attached shall be submitted in person to the professor in charge through the advisor in charge and head of department (school) or through the dean of academic affairs prior to the occurrence of the event or immediately after in the case of Items (5)~(9) or within 15 days of the date of occurrence under unavoidable circumstances. However, the maximum allowed number of days of absence shall be determined separately by the dean of academic affairs depending on the reasons for excused absences.(Amended on Nov. 21, 2016)

<Reasons for excused absences>	Max. allowed no. of days of absence
1. Death of any of the members of the immediate family of the student or similar events	5 days
2. Student having difficulties attending the class because of hospitalization and outpatient treatment	2 weeks
3. Reasons related to the compulsory military service such as physical examination for conscription	Actual time required
4. Student returning to school after being discharged from the army within 4 weeks of the start of the relevant semester	Relevant period
5. Graduation trips, educational practices, on-the-job training, and scientific travels of each department (school)	Relevant period
6. Mobilization requested by government organizations and special gathering	Relevant period
7. International meetings or equivalent activities of students	Actual time required
8. Taking the employment examinations of the government or companies as candidates for graduation	Actual time required
9. Being employed prior to graduation or etc. as candidates for graduation (those who registered 8 or more semesters)	Relevant period
10. Other cases permitted by the president	Relevant period

Article 35 (Treatment of Excused Absence of Students)

Students who submitted Report of Excused Absence (Attached Form No. 11) shall be considered to have attended classes, and such fact shall be reflected on the final performance record and on the general evaluation.

Article 36 (Actions Against Students Absenting Without Leave)

1. <Deleted on Feb. 10, 2015>
2. Students who do not attend regularly even after warnings have been sent to them and to their parents may be referred to the Student Guidance Committee for disciplinary actions. (Amended on Feb. 10, 2015)

Article 37 (Initial Date for Reckoning Attendance)

Attendance shall be evaluated using the date of opening of a course as the initial date in reckoning and the ending date of the course as the end date. For students who have transferred from other universities, those who transferred departments, those who returned to school, and those who reentered school, however, the date of granting of approval of admission shall be the initial date for reckoning; in the case of those courses the registrations for which have been changed, the school days prior to the change shall not be treated as days of absence.

Chapter 9 Academic Warning

Article 38 (Academic Warning)

1. To create a climate that encourages studying hard, students who receive an academic warning shall be guided by the heads of the relevant department (school), the advisors in charge, the relevant professors of his/her major, or the Academic Supervisor of Institute of Handong Education Development and the records of the academic warning shall be recorded in the school register at the end of each semester pursuant to Article 44 of the school regulations. However, students who received an academic warning twice shall get a special guidance in the school counseling center. (Amended on Oct. 17, 2016)
2. Based on the final performance for the semester, performance notices to the students concerned shall be issued with an "academic warning" indication as well as to the parents so that the students would be specially guided.
3. Students who received an academic warning cannot register for more than 18 credits in the next semester.
4. Students who received 2 or more consecutive academic warnings while in school cannot register for more than 15 credits in the next semester.
5. In case of students who have been readmitted, the accumulation of 3 academic warnings shall be applied newly from the time of re-admission, and the academic warnings prior to re-admission shall not be applied.

Article 39 (Succession of Academic Warnings)

If a student who received an academic warning temporarily absented himself/herself from school or got enlisted in the army and subsequently returned to school but again received an academic warning, then such academic warnings shall be treated as successive ones.

Chapter 10 Preparation of Lecture Schedules

Article 40 (Preparation of Lecture Timetables)

Lecture timetables shall be organized by semester by the Academic Affairs Team or the departments (schools) offering lectures for liberal arts courses and by the departments (schools) offering lectures for major or minor courses.

Article 41 (Offering of Courses)

1. Matters regarding the offering and operation of courses shall be prescribed separately by the president. (Amended on Feb.10, 2015)
2. <Deleted>

Article 42 (Class Time)

1. The unit of lecture hours shall be 50 minutes per credit (in the case of 3-credit courses, two 75-minute classes); all course shall be arranged throughout the days of the week. In principle, courses for which classes can be combined between different departments shall be combined.
2. Successive lectures on the same course shall be avoided as much as possible.

Article 43 (Preparation of Lecture Schedules)

The head of each department (school) shall prepare lecture schedules (Attached Form No. 12) for approval by the president before organizing lecture timetables.

Article 44 (Selection of Professors in Charge of Courses)

1. The selection of the professors in charge of courses shall be finalized by the president based on recommendations from the heads of the departments (school) offering the relevant courses.
2. <Deleted>
3. In principle, those departments (schools) with full-time faculty members whose lecture hours are less than the compulsory lecture hours may not appoint part-time instructors; however, part-time instructors may be appointed subject to the prior approval of the president.

Article 45 (Allocation of Community Leadership Training Time)

Each department (school) shall not schedule lectures on the times allotted for community leadership training.

Article 46 (Allocation of Times for Common Courses' Lecture Times)

Common courses shall be allocated first before allocating the times for major courses.

Article 47 (Allocation of Times for Major Courses' Lecture Times)

1. Major courses shall be allocated based on the lecture schedules by department (school); combined class courses shall be allocated first.
2. Lecture timetables by professor and by class (Attached Form Nos. 14, 15, and 16) shall be prepared so that the lecture times or lecture classrooms do not overlap.

Article 48 (Submission of Lecture Schedules for Intensive Courses)

For intensive courses for which the lectures are given intensively in certain periods, schedules (Attached Form No. 17) specifying the periods shall be submitted to the Academic Affairs Team together with the lecture timetables.

Article 49 (Allocation of Lecture Rooms)

The Academic Affairs Team shall allocate lecture rooms when organizing lecture timetables considering the expected numbers of students who shall take different courses.

Article 50 (Computerization of the Status of the Offered Courses)

The heads of departments (schools) shall computerize the courses offered and submit the result to the Academic Affairs Team, which in turn shall check the offered courses for any problem (amended on Dec. 6, 2006).

Article 51 (Approval and Announcement of Lecture Timetables)

1. Lecture timetables shall be prepared by carefully reviewing the following matters:
 - (1) Check whether the time and professors by course have been reasonably allocated.
 - (2) Check the time allocated to combined class courses by department (school).
 - (3) Check whether the professors' times overlap.
 - (4) Check the time allocated per week based on the number of credits.
 - (5) Check for any abnormality based on other guidelines for preparation.
2. After the review, the completed lecture timetables shall be approved by the president.
3. Lecture timetables shall be posted on the bulletin boards of the Academic Affairs Team and each department (school).

Article 52 (Changes in Lecture Timetables)

Final lecture timetables may not be changed except under unavoidable circumstances, in which case the lecture timetables may be changed subject to the approval of the president (Attached Form Nos. 19 and 20) but not the lecture hours.

Chapter 11 Class Management

Article 53 (Finalizing the Courses to be Offered)

The courses to be offered by semester shall be finalized with the approval of the lecture timetables by the president.

Article 54 (Lecture Schedule)

The dean of academic affairs shall have the professors in charge of lectures prepare lecture schedules (Attached Form No. 21) and utilize them and report the result to the president within 2 weeks of the opening of lectures.

Article 55 (Deciding on the Courses to be Closed)

1. Chapter 20 Transfer from Other Schools

Article 100 (Time)

General transfers from other schools shall be done at the beginning of each semester.

Article 101 (Permission and Selection)

1. Transfers from other schools shall be permitted through examinations for transfer only when there are vacancies in the relevant department (school).
2. Detail matters regarding the selection of transferred students shall be separately determined by the president.

Article 102 (Completion)

1. Transferred students shall complete all the compulsory courses of the relevant department (school); for chapels and community leadership training, however, only the courses offered in the grade (freshman/sophomore/junior/senior) of transfer or higher level shall be completed, and students shall be exempted from the completion of Handong character education, social service A, and social service B.
2. Of the credits earned by transferred students from the previous school, up to 65 credits may be recognized. Within this range, general studies, global convergence studies, or those acknowledged to be the same as some courses existing in the curriculum of the department (school) where the student was transferred shall be recognized to have been earned as credits for those courses; the remaining credits shall be recognized as optional liberal arts course credits. In this case, the sameness of the courses shall be determined by the head of the relevant department (school) following an examination by the professor in charge of the relevant course. (Amended on Feb. 10, 2015)

Chapter 21 Transfer in Bachelors' Degree Program

Article 103 (Qualification)

Only those students whose total grade point average for 4 years in school is 3.0 or higher may apply for transfer in a bachelor's degree program.

Article 104 (Transfer)

1. Students transferred in the bachelor's degree program shall be admitted in the 3rd year pursuant to the procedures for general transfers; students who graduate from this university

but transferred in the bachelor's degree program at the same time as their graduation shall be exempted from paying admission fees.

2. In principle, document screening and oral examinations shall be administered to the applicants; note, however, written examinations may be administered when necessary.
3. Detail matters regarding the selection of students to be transferred in a bachelor's degree program shall be separately determined by the president.

Article 105 (Completion)

1. Students transferred in a bachelor's degree program shall complete at least the specified credits to be earned for the major specialization as determined by the relevant department (school).
2. Students may have to complete the basic courses for the designated specialization as determined by the department (school).

Article 106 (Registration)

Students shall register for at least 4 semesters.

Chapter 22 Readmission

Article 107 (Calculation of Lapsed Periods)

<deleted> (amended on Jun. 02, 2014)

Article 108 (Permission and Registration)

1. Readmission shall be permitted only once and only in the same or lower year-semester in the original department (school) of the withdrawing or expelled student and only when an expelled student leaves the school in the immediately preceding year-semester.
2. <Deleted>
3. Students who wish to be readmitted shall submit to the Academic Affairs Team the application for readmission (Attached Form No. 37) co-signed by their guardians and with the certificate of performance records attached within the specified period before the opening of each semester (amended on Feb. 18, 2009).
4. If the number of applicants for readmission is more than the number of vacancies, applicants shall be approved for readmission based on the performance records for all the years at the time of leave of absence.
5. Readmitted students shall pay the specified readmission fees in addition to the tuition and/or fees.

Chapter 23 Temporary Absence from School

Article 109 (General Temporary Absence from School)

- 1 Students who cannot continue their studies or cannot attend more than three quarters of the total number of school days for unavoidable reasons such as family conditions, etc., shall submit to the Academic Affairs Team an application for general temporary absence from school (Attached Form No. 38) co-signed by their guardian through the adviser in charge and the head of the relevant department (school) within three quarters of the total number of school days for approval by the president; however, even after the period specified in this paragraph exceeds, students with unavoidable reasons such as diseases and accidents, etc., can apply for general temporary absence from school.
2. <Deleted>
 - (1) Students who temporarily absent themselves from within 7 days of the beginning of lectures shall be fully exempted from paying the tuition and/or fees upon returning to school (amended on Dec. 6, 2006).
 - (2) Students who temporarily absent themselves from school for more than 7 days after the start of classes but less than one third of the total number of school days shall pay one third of the tuition and/or fees upon returning to school.
 - (3) Students who temporarily absent themselves from school for more than one third but less than half of the total number of school days shall pay half of the tuition and/or fees upon returning to school.
 - (4) Students who temporarily absent themselves from school for more than half of the total number of school days shall pay the full amount of tuition and/or fees upon returning to school.
 - (5) <Deleted> (Dec. 6, 2006)
 - (6) Notwithstanding the cases above, if there is justifiable reason to refund the tuition and/or fees, the dean of academic affairs may refund the relevant amount instead of effecting an exemption from tuition and/or fees at the time of returning to school (amended on Dec. 6, 2006).
3. Any student who has been temporarily absent from school but wants to extend the period of his/her absence from school shall resubmit an application for general temporary absence from school (Attached Form No. 38) co-signed by his/her guardian within 1 month of the expiration of the period of temporary absence for approval by the president.
4. Newly admitted, transferred, or readmitted students may not file for general temporary absence from school in the relevant semester; however, only those students who require at least 1 month treatment after having contracted a disease as indicated in the medical certificate may file for temporary absence from school (amended on Nov. 17, 2006).
5. Notwithstanding the provisions under Clauses 1 and 3, students may apply for temporary absence from school firsthand through the Internet without going through the advisor in charge and head of department (school) and without the joint signatures of their parents.
6. There are no limits to the number of general leave of absence that can be applied for; the

total period of leave of absence shall be limited up to 3 years and each application for general leave of absence may cover a period of up to 3 years, and students may return to school after applying for returning to school even if the period has not lapsed. However, the period of sick leave of absence longer than 4 weeks whose medical statement can be submitted shall not be included in the total period of general leave of absence.(amended on Jan. 26, 2012)

Article 109-2 (Order to Take Leave of Absence) (newly established on Sep. 9, 2009)

1. If there are reasons for issuing an order to take a leave of absence to a student pursuant to Clause 7, Article 25 of the university regulation, the faculty member concerned shall immediately prepare a background report and request the dean of student affairs to issue an order to take a leave of absence. For his/her part, the dean of student affairs shall immediately obtain the following documents and convene a student guidance committee to deliberate on the requested order to take a leave of absence:
 - (1) 1 copy of the background report (Attached Form 38-2)
 - (2) 1 copy of the statement from a student subject to leave of absence order (Attached Form 38-3) (may be omitted if the student refuses to make a statement)
 - (3) 1 copy of a written opinion of the professor in charge and the head (chairman) of the department (school) (Attached Form 38-4)
 - (4) Medical statements, reports on counseling, or psychological tests issued by the counseling center of this university or of the hospital designated by this university (may be omitted if the student refuses to undergo medical tests or counseling or psychological tests conducted by the designated hospital)
2. If deemed necessary by the chairman of the committee, the opinions of the professor in charge or related staff may be used as reference.
3. The committee shall listen to the statement made by the student prior to making a decision. If it is impossible for the student to make statements for unavoidable reasons, however, such fact shall be indicated in the records prior to making a decision.
4. A student who has received an order to take a leave of absence shall make efforts to have his/her disease(s) treated during the period of leave of absence and periodically report to the counseling center of this university the progress of his/her treatment.
5. The order to take leave of absence shall automatically be terminated when the period of leave of absence expires. However, the President may shorten the period of leave of absence considering reports on the student's progress and opinions of the counseling center as received during the period of leave of absence.
6. If opinion is submitted by the professor in charge and the head of department (school) regarding the reduction of the period of the ordered leave of absence, the dean of student affairs may shorten the period following deliberation by the committee and after obtaining approval from the President.
7. In principle, an order to take a leave of absence shall be issued privately; however, the dean of student affairs shall immediately inform the head of the relevant department/school, the professor in charge, the student concerned and his/her parents of the leave of absence

order.

8. The types of leave of absence and reasons shall be entered in the school register covering the student who received the leave of absence order.
9. If a student who has been ordered to take a leave of absence wishes to return to school, the student guidance committee shall examine the case based on the student's application for return to school, opinions of the counseling center of this university, and opinions of the head (chairman) of department (school) and the professor in charge, and the President shall make the final decision. If the student's return to school is considered inappropriate, the student concerned may not be allowed to return to school.

Article 110 (Temporary Absence from School due to Enlistment in the Army)

1. A student who are called to serve in the army shall submit within a specified period an application for temporary leave of absence for enlistment purposes (Attached Form No.38) to the Academic Affairs Team or submit an application through the Internet during the Internet application period for temporary leave of absence. However, a student wishing to take a temporary leave of absence for enlistment purposes during the new, transferred or readmitted semesters shall submit an enlistment order to the Academic Affairs Team when applying for temporary leave of absence.(amended on Dec.14. 2009)
2. Students who did not go through the procedure for filing for temporary absence from school due to enlistment in the army shall be expelled from school. If the reason for temporary absence from school due to enlistment in the army occurs during the period of general temporary absence from school, the student should still follow the procedures for filing for temporary absence from school due to enlistment in the army.
3. The temporary leave of absence for enlistment purposes shall be applied for once upto 3 years during school years, If the period exceeds 3years, however, the student may submit related documents to the Academic Affairs Team to extend the period; if the student wishes to return to school even if the period of temporary leave of absence has not lapsed, he/she may do so after applying for return to school.(amended on Dec. 14. 2009)
4. Students who returned home for certain reasons after entering the barracks shall submit related documents to the Academic Affairs Team within 1 week of the date of their return to cancel the temporary leave of absence for enlistment purposes, and change the temporary leave of absence to general temporary leave of absence.(amended on Dec. 14. 2009)
5. The tuition and/or fees for students who are returning to school following a temporary absence from school due to enlistment in the army after paying the tuition and/or fees shall be determined by applying the provision under Clause 1, Article 109; if the dean of academic affairs acknowledges the fact that a student was enlisted in the army regardless of his status as student, however, the student shall be fully exempted from paying the tuition and/or fees regardless of the time of temporary absence from school (amended on Dec. 6, 2006).

Article 110-2 (Pregnancy-Childbirth and Maternity leave of absence)

1. Students who want to take leave of absence for the reason of pregnancy-childbirth or rearing of children under the age of 8 shall submit an application form for leave of absence

and the relevant evidentiary documents to Academic Affairs Team for approval. (Newly established on Feb. 28, 2014)

2. The period of leave of absence for the purpose of rearing children under the age of 8 shall not exceed 2 semesters, and the period of leave of absence for the pregnancy-childbirth of female students shall be 2 semesters. However, the period of leave of absence of female students for pregnancy-childbirth and maternity leave of absence shall not exceed 6 semesters, and these periods shall not be included in the total period of general leave of absence of 3 years. (Newly established on Feb. 28, 2014)

Article 110-3 (Entrepreneurship Leave of Absence)

1. Students who want to take leave of absence for entrepreneurship shall submit an application form for leave of absence and the relevant evidentiary documents to Academic Affairs Team for approval. (Newly established on Feb. 28, 2014)
2. In principal, the period of Entrepreneurship leave of absence shall be 2 semesters at a time, but it may be extended to consecutively 4 semesters at a time. (Newly established on Feb. 28, 2014)
3. The period of Entrepreneurship leave of absence shall not exceed 4 semesters during school years, and these periods shall not be included in the total period of general leave of absence of 3 years. (Newly established on Feb. 28, 2014)

Chapter 24 Return to School

Article 111 (Time-Procedure)

1. A student whose period of temporary absence from school has expired and who wants to return to school shall complete the procedure for returning to school within the specified period before the start of each semester; beyond that period, return to school shall not be permitted. After being discharged from the army, the student shall return to school within 1/4 of the number of school days of the relevant semester in principle. If the expected date of discharge from the army exceeds the period, however, the dean of Academic affairs can allow students who can attend more than 3/4 of the number of school days to return to school. In such case, supporting documents related to returning to school including the Letter of Approval for attending lectures shall be submitted. (amended on Feb. 10, 2012)
 - (1) <Deleted on Sep. 1, 2008>
 - (2) <Deleted on Sep. 1, 2008>
2. Students who wish to return to school may submit an application for return to school (Attached Form No. 39) to the Academic Affairs Team or apply for return to school through the Internet during the period of application for return to school via the Internet. Students returning to school after being discharged from the army shall submit a copy of certificate of discharge specifying the military service details. The return to school of the students who

are not discharged by the expected date of discharge shall be canceled regardless of the reasons (newly established on Sep. 1, 2008).

3. Students who were temporarily absent from school due to enlistment in the army shall return to school within 1 year of the date of their discharge from the army; however, those students who cannot return to school in the relevant semester within 1 year of their discharge from the army shall be allowed to file for general temporary absence from school by the Academic Affairs Team pursuant to the regulation under Article 25 of the school regulations.

Article 112 (Approval-Registration)

1. Students who are temporarily absent from school for more than 1 semester even as they originally intended to be absent from school for only 1 semester and who wish to return to school may do so by following the procedures under Article 111.
2. <Deleted>
3. Students who have been allowed to return to school but do not complete the specified registration procedures shall be considered temporary absent from school due to failure to register or expelled from school.(amended Sep. 04, 2013)
4. <Deleted>

Chapter 25 Expulsion

< How to Convert >

* Less than a 4.09 GPA = Percentage of each GPA + (GPA to 2 decimal places × 10)

* More than a 4.10 GPA = Percentage of each GPA + (GPA to 2 decimal places × 12.5)

- round off the numbers to 3 decimal places

Ex) Converted score of a student with 3.45 GPA: $88+(0.05 \times 10) = 88.5$

Converted score of a student with 4.17 GPA: $95+(0.07 \times 12.5) = 95.88$ (95.875)
