Chapter 5 Restriction on the Awarding of Scholarships

Article 19 (No Duplicated Receipt of Scholarships)

In principle, scholarships shall be received within the range of the tuition fee of the relevant semester, excepting special cases. Any student receiving more than two kinds of scholarships may select the one that is more favorable to him/her; the scholarships to be received continuously shall be applied first. However, parts of Seongim scholarships, scholarships for overseas study, scholarships for working students, scholarships for long-term military service, loaned scholarships, and designated deposit scholarships may be exceptions.(amended on Aug.28, 2012)

Article 20 (scholarships suspension and cancellation) (amended on Aug. 28, 2012)

The following scholars shall have their scholarships suspended or canceled:(amended on Aug. 28, 2012)

1. Students who have disciplinary action
2. Students who voluntarily withdrew from school or temporarily absented themselves from school (except undergraduates who temporarily absented themselves from school due to their enlistment in the army or due to a disease as proven by a medical certificate)
3. For students selected as scholars for having garnered excellent entrance examination results, the grade point average set for the relevant year has not been reached (less than 3.5).
4. The number of credits earned in the previous semester is less than 17.5 (except for seniors). However, notwithstanding the provisions of this regulation, the cases when a scholarship needs to be awarded shall be prescribed separately by the president.

Article 21 (Prohibited Acts)

Scholars shall refrain from committing any of the following acts:

1. Falsifying the information required in the application for scholarship
2. In case an external scholarship has been received, negligence in submitting the required documents
3. Acts damaging to one's reputation as a scholar, thereby compromising the honor of the school

Article 22 (Period of Receiving Scholarships)

1. The period of receiving a scholarship shall be one semester except for those specifying the period.
2. Scholarships may not be received for more than 8 semesters while in school. Transfer students may not receive scholarships for more than the normally remaining semesters to be completed.

Article 23 (Exceptions for New Students)

Notwithstanding this regulation, students with excellent entrance examination results every school year may be specially awarded scholarships subject to the approval of the president following deliberation by the committee.
